## **Unique Collaboration: University of British Columbia (UBC), Vancouver School Board (VSB), and Richmond School District (SD38)**

Created in partnership with the VSB and SD38, this Masters cohort emphasizes intergenerational capacity building, cross-departmental contributions and scholar-practitioner community engagement and land-based learning opportunities toward fostering educational leadership for Indigeneity, equity and inclusion.

## **Indigeneity, Equity and Inclusion**

This graduate program aims to foster an intersectional understanding of anti-oppression and leadership in ways that are aligned with the VSB and SD38's emphasis on issues of Indigeneity, equity, social justice, and inclusion as well as on the Truth and Reconciliation Commission's (TRC) calls for reconciliation in relation to Indigenous peoples and communities.

This program was developed in partnership with VSB Superintendent, Helen McGregor, former Superintendent, Suzanne Hoffman, Associate Superintendent, Jody Langlois, SD38 Director of Instruction, Dr. Ravinder Johal, and District Administrator - Equity and Inclusion, Navshina Savory.
